Dr. Pepper Snapple Group and Keep America Beautiful Bring Recycling to E.G. Smith Baseball Complex

City of Manassas Receives 10 Public Space Recycling Bins to Improve Recycling

City of Manassas. . . City of Manassas residents visiting the E.G. Smith Baseball Complex should expect to see a cleaner public park this spring thanks to a significant grant made possible by Dr. Pepper Snapple Group (NYSE: DPS) in collaboration with national nonprofit Keep America Beautiful.

The Dr. Pepper Snapple Group/Keep America Beautiful Park Recycling Bin Grant Program provided funding to Keep Manassas Beautiful to encourage recycling and help keep the E.G. Smith Baseball Complex clean and beautiful all summer long.

Keep Manassas Beautiful Program Coordinator, Monica Boehringer sees the grant as an opportunity. “The City of Manassas is always looking for ways to demonstrate that recycling is an important part of our community life. This grant will allow our younger residents and their families to recycle while enjoying their favorite game. Keeping Manassas beautiful is easy when you have the bins you need in the right places.”

In 2018, the Dr. Pepper Snapple Group/Keep America Beautiful Park Recycling Bin Grant Program is funding 34 grants with a total distribution of 936 new recycling bins in public parks across the country, making recycling more accessible for Americans enjoying the outdoors.

Now in its sixth year, the Park Recycling Bin Grant Program has provided nearly 5,250 recycling bins to local governments and community organizations across 44 states. This investment in

recycling infrastructure has improved recycling accessibility and convenience in a variety of park settings, including neighborhoods and larger regional parks, beaches, athletic fields and walking trails.

About Keep Manassas Beautiful

Keep Manassas Beautiful works to educate and engage residents to take responsibility for improving the community and environment of the City of Manassas. Every day, KMB members strive to increase litter prevention, reduce waste through recycling and improve the City's beautification through the Adopt-a program.

About Keep America Beautiful

Keep America Beautiful, the nation's iconic community improvement nonprofit organization, inspires and educates people to take action every day to improve and beautify their community environment. Celebrating its 65th Anniversary in 2018, Keep America Beautiful strives to End Littering, Improve Recycling and Beautify America's Communities. Behavior change – steeped in education, research and behavioral science – is our cornerstone. We empower generations of community stewards to deliver measurable environmental, economic and social benefits. The organization is driven by more than 600 state and local affiliates, millions of volunteers, and the collaborative support of corporate partners, social and civic service organizations, academia, municipalities, elected officials, and individuals.
